

WORDS Reading Strategy

Research shows that fluent reading is very important in securing great outcomes for students. We are working on our WORDS strategy to ensure that every student is encouraged to read more during lessons, during home learning, and for pleasure.

Embed confidence; fuel ambition.

One strand of our strategy is to show students just how important reading is in a wide range of jobs. We would be very grateful if you would answer these questions; we will be putting together a display to show your children wider applications of reading.

Name: _____ *I am happy to have my name displayed*

Job Title: _____

How I use reading in my job:

This may include reading rotas; reading invoices; reading letters; reading timetables; etc. Please list as much as you can.

We would like to put together some short videos with a similar focus for use in our enrichment programme. If you would be prepared to be interviewed and filmed by some of our student leaders to help us to promote reading, please add your contact details.
