17 March 2016

Dear Parent/Carer

Year 9 Revision

As you may be aware, Year 9 students will be sitting their end of Key Stage 3 assessments during the week beginning 9 May 2016.

The maths assessment will consist of three exam papers; one calculator paper, one non-calculator paper and one mental arithmetic paper. These will be sat in the hall under exam conditions.

In preparation, for this we are inviting your child to after school revision sessions. These are crucial in preparing him/her for the assessment and ensuring he/she reaches the next level of attainment.

These sessions begin on **Monday 21 March** and will run **every Monday** up to and including 9 May. They will take place in room S39.

In addition to this, they will receive two papers to complete during the end of term holidays in April. Their I class teacher will be going through this in the first lesson back after the break so it is vital that he/she completes it. It does not have to be done under test conditions and any additional support you can give him/her would be greatly appreciated.

If you have any questions or comments, please contact me at barnes.ale@elawnswood.co.uk

Thank you for your support.

Yours sincerely

Mr A Barnes
Key Stage 3 Maths Coordinator
