Dear Parent/Carer

Sporting updates

Last week saw our Year 10 boys' football team reaching the top of the table, with two wins out of two fixtures against Guiseley and St Mary's Menston. Results of 3-0 and 4-0 wins means they go to the top of their league 4 points clear and with a goal difference of +5. Mr. Walker's fantastic tactics of a three at the back formation meant there were plenty of goals to be scored.

The Year 8 boys also won against Allerton High School in a friendly. The team showed tremendous teamwork, communication and have finally found their feet.

A friendly badminton fixture versus Allerton High School for our KS3 and KS4 teams was also held this week. Two standout names from Lawnswood, picked from the teachers of Allerton High, were Morgan Thomas and Ana Clara, both winning their games 5-4.

Year 11 Parents Evening – Wednesday 15 January 2025

I was so impressed with the resilience and hard work demonstrated by Year 11 this week. They approached their mock exams in a calm and studious manner. It was a tough week, and it is not quite over yet as the online science assessments are happening next week along with the lengthy art exams. However, I am confident the students did themselves proud and the results will provide a great stepping stone for the upcoming final months of GCSEs.

We will report the outcomes to you in the new year once all the papers have been marked and checked. This progress report will be shared with you at Parents Evening on 15 January. The booking system to make appointments will open at 4pm on Friday 13 December, follow this link to make your booking [SchoolCloud - Lawnswood School](#). Please make your appointments as soon as you can as the partnership between school and home plays a large part in a young person's success.
