I. General statement of aims:

- Lawnswood School seeks to ensure that all its students receive a full-time education which maximizes opportunities for each student to realise their true potential. Good attendance leads to high attainment.
- All school staff will work with students and their families to help ensure that parents perform their legal duty in ensuring their children attend school regularly and punctually. Everyone who works at Lawnswood has a responsibility for attendance in their various roles, pastoral or otherwise.
- Lawnswood School will encourage attendance by providing a welcoming, caring environment, wherein each member of the school community feels wanted and secure.
- Lawnswood School will maintain an effective system of incentives and rewards which acknowledges the success and efforts of students to improve their attendance and timekeeping and will challenge the behaviour of those students and parents who give low priority to attendance and punctuality.
- To meet these objectives, Lawnswood School will act early to address patterns of absence maintaining an effective and efficient system of communication with students, parents and appropriate agencies to provide mutual information, advice and support.

2. Legislation and guidance

This policy meets the requirements of the school attendance guidance from the Department for Education (DfE), and refers to the DfE's statutory guidance on school attendance parental responsibility measures. These documents are drawn from the following legislation setting out the legal powers and duties that govern school attendance:

- Working together to improve school attendance 2024
- Part 6 of The Education Act 1996
- Part 3 of The Education Act 2002
- Part 7 of The Education and Inspections Act 2006
- The Education (Pupil Registration) (England) Regulations 2006 (and 2010, 2011, 2013, 2016 amendments)
- The Education (Penalty Notices) (England) (Amendment) Regulations 2013
- Keeping Children Safe in Education 2023
- Supporting pupils where a mental health issue is affecting attendance 2023

This policy also refers to the DfE's guidance on the school census, which explains the persistent absence and severely absent threshold.

- Ensure that first day phone calls for their year group are completed in liaison with the Pastoral Support Worker for their year group and the attendance admin.
- Attend daily attendance meetings to discuss absence in their year group
- Works with the attendance improvement officer to identify patterns of absence

3.5 The pastoral support worker

3.5 Form Tutor

Form tutors are responsible for monitoring attendance in their form, recording attendance on a daily basis, using the correct codes, and when required contacting home.

3.6 Subject Teacher

The attendance of every lesson in school is recorded by a subject teacher at the start of each lesson on Classcharts using the appropriate code.

3.7 Attendance Admin

Attendance administrative staff are expected to take calls from parents about absence and record it on the school system. They are also responsible for first day phone calls.

3.8 Parents

At Lawnswood we expect parents/carers to:

- Encourage their children to attend school daily and be punctual and inform the school immediately if their child is absent or unavoidably late
- Inform the school each and every day of a student's absence before 8.15am via Classcharts or by telephone
- Inform the school (via Classcharts, telephone call or toolkit) in advance of any hospital appointment unavoidably scheduled during school time
- Inform the school of any problems which might affect their child's attendance
- Cooperate with the school if their child's attendance/punctuality is unsatisfactory
- Make requests for special leave of absence for their child during term time by completing an Application for Leave in Exceptional Circumstances form which is available on the school's website or from Student Reception.
- Provide the school with more than one emergency contact for their child
- Ensure that where possible all appointments for their child are made outside of the school day

3.9 Students

At Lawnswood we expect that students will:

- Always attend school unless prevented by a specified illness or unavoidable circumstances
- Always arrive to school by 8.25am
- Attend all lessons on time

4. Recording attendance

4.1 Attendance register

We will keep an electronic school attendance register, and place all students onto this register.

We will take our attendance register at the start of the first session of each school day and once during the second session. It will mark whether every student is:

- Present
- Attending an approved off-site educational activity
- Absent
- Unable to attend due to exceptional circumstances

Any amendment to the attendance register will include:

- The original entry
- The amended entry
- The reason for the amendment
- The date on which the amendment was made
- The name and position of the person who made the amendment

See appendix I for the DfE attendance codes.

We will keep every entry on the attendance register for 3 years after the date the student leaves school.

Students must arrive in school by 8.25am on each school day.

The register for the first session will be taken at 8.30am and will be kept open until 9am. Students who are on a reduced timetable will be according to their start time. The register for the second session will be taken at 12.05pm and will be kept open until 12.35pm.

Where a student has been absent for 15 consecutive or cumulative day through illness we will notify the Local Authority. Where a student is absent for 20 school days we will refer to the Leeds City Council Child Missing in Education Team and both Lawnswood School and Leeds City Council will decide if the student is to be removed from roll.

4.2 Unplanned absence

The student's parent/carer must notify the school on the first day of an unplanned absence by 8am or as soon as practically possible (see also section 7).

If students are ill, our preferred method of contact is reporting it via Classcharts or alternatively parents must phone school the school attendance line on 0113 284 4033 to explain their child's absence on day one, including the reason for absence and expected date of return. Parents must make contact on each day of absence, this is to ensure that a child is not returning early from an absence without the school knowing. All illnesses should be specified. It is not sufficient to report a child as 'ill': the nature of the illness must be given in order for the absence to be approved by the school.

We will mark absence due to physical or mental illness as authorised unless the school has a genuine concern about the authenticity of the illness.

Where the absence is longer than 5 days or there are doubts about the authenticity of the illness, the school will ask for medical evidence, such as a doctor's note, prescription, appointment card or other appropriate form of evidence. We will not ask for medical evidence unnecessarily.

If the school is not satisfied about the authenticity of the illness, the absence will be recorded as unauthorised and parents/carers will be notified of this.

4.3 Planned absence

Attending a medical or dental appointment will be counted as authorised as long as the student's parent/carer notifies the school in advance of the appointment. Students should bring evidence of the appointment to their form tutor.

However, we encourage parents/carers to make medical and dental appointments out of school hours where possible. Where this is not possible, the student should be out of school for the minimum amount of time necessary.

The student's parent/carer must also apply for other types of term-time absence as far in advance as possible of the requested absence. Go to section 5 to find out which term-time absences the school can authorise. To apply for absence during term time please contact the school office for a form which is then returned to the Headteacher.

4.4 Lateness and punctuality

A student who arrives late:

- Before the register has closed will be marked as late, using a code L
- After the register has closed will be marked as absent, using a code U.

The code U is an absence and our usual absence procedures will be followed. Students who are persistently late will be expected to catch up work after school with their year team. Parents will be notified.

We will proactively work with students who are persistently late to help identify the reason and put in place support to improve their punctuality. Students are continue to be late with no good reason will be placed into a lunchtime reflection.

4.5 Following up absence

Where any child we expect to attend school does not attend, or stops attending, the school will:

- Follow up on their absence with their parent/carer to ascertain the reason, by contacting home on the first day of absence
- Conduct a home visit on day 3 if no contact has been made with the family
- Ensure proper safeguarding action is taken where necessary
- Identify whether the absence is approved or not

- Identify the correct attendance code to use

4.6 Reporting to parents

Attendance is reported to parents/carers along with the students report.

Students whose attendance causes concern will be contacted by their Year Team to offer support and identify any barriers to attendance.

5. Authorised and unauthorised absence

5.1 Approval for term-time absence

The headteacher will only grant a leave of absence to students during term time if they consider there to be 'exceptional circumstances'. A leave of absence is granted at the headteacher's discretion.

We define 'exceptional circumstances' as one-off events which are unavoidable, such as a death or funeral of an immediate family member or a housing crisis.

The school considers each application for term-time absence individually, taking into account the specific facts, circumstances and relevant context behind the request.

Valid reasons for **authorised absence** include:

- Illness and medical/dental appointments (see sections 4.2 and 4.3 for more detail)
- Religious observance – where the day is exclusively set apart for religious observance by the religious body to which the student's parents belong. If necessary, the school will seek advice from the parents' religious body to confirm whether the day is set apart

5.2 Reducing persistent absence

Where a student's pattern of absence gives cause for concern we will contact the family to offer support in improving attendance. If a student's absence does not improve then we will write to parents/carers notifying them of our concerns and we will invite them into school for a meeting.

5.3 Legal sanctions

The school or local authority can fine parents for the unauthorised absence of their child from school, where the child is of compulsory school age.

If issued with a fine, or penalty notice, each parent must pay £80 within 21 days or £160 within 28 days. The payment must be made directly to the local authority.

In the case of repeated fines, if a parent receives a second fine for the same child within any three-year period, this will be charged at the higher rate of £160.

Fines per parent will be capped to two fines within any three-year period. Once this limit has been reached, other action like a parenting order or prosecution will be considered.

If you're prosecuted and attend court because your child hasn't been attending school, you could get a fine of up to £2,500.

Penalty notices can be issued by a headteacher, local authority officer or the police.

The decision on whether or not to issue a penalty notice may take into account:

- The number of unauthorised absences occurring within a rolling academic year
- One-off instances of irregular attendance, such as holidays taken in term time without permission
- Where an excluded student is found in a public place during school hours without a justifiable reason

If the payment has not been made after 28 days, the local authority can decide whether to prosecute or withdraw the notice.

We have also adopted the Fast Track Process for fining non-attendance as set out by the Local Authority.

Schools will identify students who have 10 absences [5 days] within a 10 week period

- Schools will send a letter to parents
- Schools will monitor for 20 days
- If no improvement schools will invite parents to a meeting
- At the meeting schools will issue a penalty notice warning letter
- After the meeting schools will monitor for a further 20 days
- If no improvement shown schools can refer to the authority for a Penalty Notice to be issued.

6. Recognising Good Attendance

At Lawnswood we recognise that good attendance leads to better outcomes. We will encourage students to attend school regularly by celebrating their attendance throughout the year in the form of certificates and rewards.

7. Attendance monitoring

7.1 Monitoring attendance

The attendance team, consisting of our attendance improvement officer, year teams and attendance admin monitors student absence on a daily basis to identify patterns of absences that maybe cause for concern.

Student-level absence data will be collected each term and published at national and local authority level through the DfE's school absence national statistics releases. The underlying school-level absence data is published alongside the national statistics. The school will compare attendance data to the national average, and share this with the governing board.

7.2 Analysing attendance

Lawnswood School will:

- Analyse attendance and absence data regularly to identify students or cohorts that need additional support with their attendance, and use this analysis to provide targeted support to these students and their families
- Look at historic and emerging patterns of attendance and absence, and then develop strategies to address these patterns

7.3 Using data to improve attendance

Lawnswood School will:

- Provide access to regular attendance reports to form tutors, subject teachers and other school leaders, to facilitate discussions with students and families. These reports are available on Classcharts.
- Use data to monitor and evaluate the impact of any interventions put in place in order to modify them and inform future strategies

7.4 Reducing persistent and severe absence

Persistent absence is where a student misses 10% or more of school, and severe absence is where a student misses 50% or more of school.

Lawnswood School will:

- Use attendance data to find patterns and trends of persistent and severe absence
- Hold regular meetings with the parents/carers of students who the school (and/or local authority) considers to be vulnerable, or are persistently or severely absent, to discuss attendance and engagement at school
- Provide access to wider support services to remove the barriers to attendance

The local authority has the power to view school registers at any time via a secure connection. Student-level absence data will be collected daily and published at national and local authority level through the DfE's school absence national statistics releases. The underlying school-level absence data is published alongside the national statistics. The school will compare attendance data to the national average, and share this with the governing board.
